OFFICE OF THE CHAIRMAN,

Dated, Bangalore, the 17th July '48.

To

Sir,

Adverting to Government Order No.L.9729-31/M1. - 13-47-18 dated 25th September 1947 according sanction to the purchase of one Stanley's Theodolite at a cost of Rs.2,500/- from Messrs.Ambi & Co., instead of Watt's Theodolite at a cost of Rs.3,000/- sanctioned in G.O.No.L.12052-5/M1.13-46-72 dated the 3rd March 1947, I have the honour to state that when orders were placed for the supply of Stanley's Theodolite through the Secretary, Stores Purchase Committee, he stated in his letter No. 13034 dated the 26th November 1947 that Stanely's Theodolite - was out of stock in the Market and none of the approved Contractors was able to supply the Stanley's make and therefore suggested that Watt's Theodolite which was offered by M/s.Ambi & Co., Bangalore City, for Rs.2,600/- Nett might be purchased.

As the instrument was urgently required in connection with the survey work of the several areas under the operation of the Trust Board, I have placed orders through the Store Purchase Committee for the purchase of one Watt's Theodolite at a cost of Rs.2,600/- instead of Stanley's Theodolite. I request that in the circumstances, the action taken by me may kindly be approved.

I have the honour to be,
Sir,
Your most obedient servant,

CHAIRMAN.

Sir,

Re the purchase of a Theddolite for the use of this office

In continuation of this office letter No G. 49/48 dated 19-7-48 seeking approval of action taken by me in having placed the orders through the Stores Purchase Committee for the supply of one Watt's Theodolite at a cost of Rs 2,600/- instead of a Stanley's Theodolite in the circumstances stated therein, I have the honour to state that in the meantime, our offer is made by Messrs Apex Scientific and Engineering Co;, Bangalore, for the supply of a Stanley's Theodolite for Rs 2,900/-, delivery at Bangalore The Secretary, Stores Purchase Committee, Bangalore, who was consulted over the phone regarding the purchase of this Theodolite instead of the Watt's ordered for, was of the opinion that immediate orders may be placed for the supply of this Theodolite as it is not available elsewhere and the Engineer Officer of this Board reports that a Stanley's Theodolite is an excellent one and may be purchased at once I have therefore placed orders with the above-mentioned firm for the immediate supply of the instrument as it is very urgently required for the use of this office

In these circumstances, I request that the action taken by me may kindly be approved Necessary provision in this behalf will be made in the Budget of this office for the current year

I have the honour to be,
Sir,
Your most obedient servant,

CHAIRMAN
